Dear Parents and Guardians,

The Functional Life Interventions Program (FLI) is a comprehensive, in-school counseling program designed to support the emotional needs of general education and special education students. We are pleased to announce UFRSD's Functional Life Interventions (FLI) Program has welcomed two additional therapists for the 2022-2023 school year. Samantha Siverman will be located and available to support students at Newell Elementary School. Renee Nossen will be located and available to support students at Stonebridge Middle School, and Danielle Silverman will be located and available to support students at Allentown High school. We are very excited to provide our students, families, and staff with this vital resource.

If you are interested in additional information , please do not hesitate to contact me via email (baldeo.margarita@ufrsd.net)

Sincerely,

Margarita Baldeo, MSW, LCSW

Director of Student Services
